

# CAC Corner: March Madness with a Twist | CPD

**Sue Reeves**

**03/18/2015**

There's still time for CPD staffers to participate in the March Madness bracket challenge for fame, glory and wonderful prizes! And this year, the Consumer Advisory Council will benefit.

There will be a \$5 entry fee for bracket challenge participants, with all proceeds going to the CAC's Community Investment Award. The award is given twice a year to a Utah non-profit that serves people with disabilities. The CAC's parent advocates and agency representatives make the nominations, while the self-advocates choose the recipient.

Pick up a bracket in the CPD main office, complete it, and bring it back to the office with your \$5 entry fee by 10 a.m. on Thursday, March 19. Brackets will be displayed in the office so you can follow the contest as the tournament plays out.

For more information, contact Shane Johnson in the main office.
