

# Still Time to Order Valentines!

**Sue Reeves**

**02/09/2015**

Make Valentine's Day extra special for your sweetie--order a handmade greeting AND provide two hours of respite care for participants at the Developmental Skills lab!

The individualized cards created by DSL participants during last year's Hearts for DSL campaign were a huge hit, and provided approximately 80 hours of respite care.

Valentines are \$10 each, and if you buy four, we'll throw in the fifth for free. For each Valentine sold, we'll put a paper heart in the window of the CPD's main office. Visit Shane Johnson, CPD associate director of development, to place your order by the close of business on Tuesday, Feb. 10.
