

Farewell Celebration for the CPD Building | CPD

Kelly Smith

05/04/2016

Here's your chance to create a work of art with spray paint on a brick wall without being arrested! Please join us in a final celebration of the Center for Persons with Disabilities building, scheduled for demolition near the end of May. This is a unique opportunity to have fun while supporting a great cause. Cans of paint will be available for purchase for \$10 each, and artwork will be photographed and shared on social media. Proceeds go towards funding programs and classrooms for children in the new Clinical Services Building, which will be constructed on the site of the original CPD building. All artists will be entered in a drawing for prizes, with one ticket allotted for each can of paint purchased. Prizes will be distributed throughout the duration of the event. The Paint Party will be held on May 12, from 1:00-4:00 p.m. Come channel your inner artist and help us remember the good times and the good works at the CPD over the last 44 years!
